

Power and air supply unit EA 6/1 D100033

Product information sheet

| Technical Data | D100033 |
|-----------------------|----------------------------------|
| Compressed air supply | 0 - 15 bar |
| Sockets 16 A/250 V | 6 pcs |
| Sockets 16 A/400 V | 1 pc |
| Protection class | IP 44 |
| Max. power | 3,5 kW / 250 V 9.5 kW / 400 V |
| Weight | 2,9 kg |
| Air connection | 2 x SSK, DN 7,4 |
| Air hose diameter Ø-i | 9mm |
| Dimension (D x W x H) | 227 x 305 x 212mm |
| Stand | 19.06.2017 |

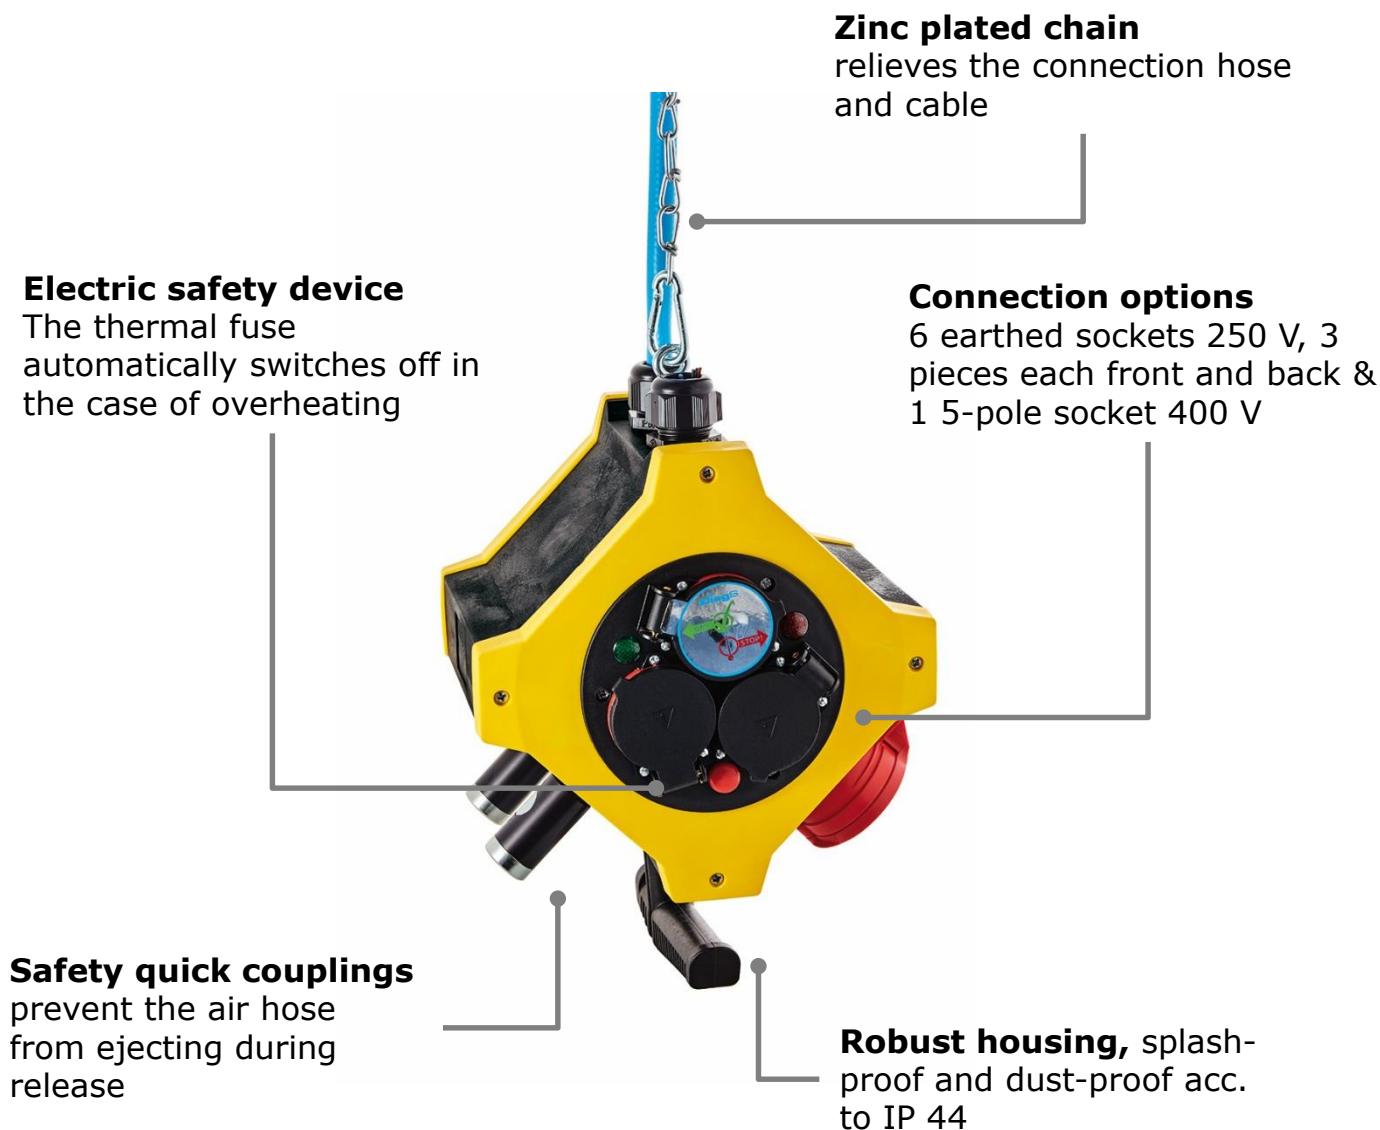

Product description

Fact sheet

- **The best solution** for working stations with electrical power and compressed air demand
- **Better organization at workplace**, it provides with electricity and compressed air directly above the working area, thus no disturbing cables or hoses lie on the floor
- **Safety of user** thanks to safety quick couplings prevent the air hose from ejecting during release
- **Robust housing**, splash-proof and dust-proof acc. to IP 44
- **Easy installation**, with already connected air hose and pre-installed electrical connection
