

## Pneumatic Stapler 4C-Z50AUT for staples Z from 16 - 50 mm (5/8" - 2")

applicable with single, bump and automatic fire

General building approval Z-9.1-495

recommended by:

for: fermacell®

EUROCODE 5

Type Z

11,2 mm (0.4411 in.)
16 (5/8")
19 (3/4")
25 (1")
30 (1-3/16")
32 (1-1/4")
35 (1-3/8")
38 (1-1/2")
40 (1-9/16")
44 (1-3/4")
50 (2")

1,4 x 1,65 mm (0.055 x 0.065 in.)

### Technical details:

Weight: 2,85 kg (6,28 lb.)  
 Operating pressure: 5 - 8 bar (71-114 psi.)  
 Air requirement: approx. 2,1 l/staple (0.454 gal./staple)  
 Magazine capacity: 160 staples

### Smooth impact:

Industrial converting of plaster, fermacell-, fiberboard, and further board materials.

### Standard equipment:

- increased driver
- quick release fastener
- depth adjustment
- adjustable exhaust
- ergonomic handle
- safety device
- exhaust silencer
