

# 2809913252 Orbital sander

Product Data Sheet

Technical Data	2809913252
Sanding pad size	125 mm
RPM	10.500 min <sup>-1</sup>
Maximum pressure	6,3 bar
Air consumption	3 l/s
Weight	0,9 kg
Noise level	90 dB(A)
Vibration level	4,4 m/s <sup>2</sup>
Hose diameter	9 mm
Orbital stroke	5 mm
Date	02.10.2020

## Product description

### Fact Sheet

- **Compact orbital sander** for several DIY and semi-professional applications such as sanding fences, garden house or furniture.
- **Quick work progress** due to the high revolution and 5mm stroke
- **Sanding pad with touch fastener** for standard 125mm sanding paper with and without holes
- **Low dust formation** due self-vacuum function and dust collecting bag
- **Rubber handle cover** isolates, reduces vibrations and provides more grip

# 2809913252 Orbital sander
